

Prayers from 'POP – A JOURNEY IN THE LIGHT'

PRAYER: Lord, give us all the wisdom, courage, and strength to not focus on our problems. If we focus on our problems, we can't see the real solution, YOU. Show us what no one else sees, what everyone else chooses not to see out of fear, conformity, and laziness. Teach us that in all things God, you work for the good of those who love you, who have been called according to your purpose." Page 21

As we pray together, let's realize that our prayers will be answered, they just may or may not come at the time, place, or way we would expect them. Page 25

"I pray for the Power of the Holy Spirit to pull me through. You did not give me a Spirit of Timidity Lord, but a Spirit of Power, Love, and Self-Discipline. Help me during this time Lord to remember to live by this Power of your Spirit and not try to do things in my own strength. Show me how to use the keys you have given me to unlock and unleash Your Power in Prayer". 2 Timothy 1:6-7. Page 31

"Thank you Father that your GRACE is sufficient for me. Thank you that your strength is made perfect in my weakness. I would rather boast in my infirmities, so that the power of Christ rests upon me. For Christ's sake, I delight in this hardship." 2 Corinthians 12:9-10. Page 31

"For I know Lord, that in ALL things, especially this leukemia, that God works for the good of those who love HIM, who have been called according to his purpose!" Romans 8:28. Page 31

"Finally Lord, help me to be still and know that you are God. Let me use this time to totally 'cease striving' for earthly things, and turn all my life over to you." Psalms 46:10. Page 31

"Father God, thank you for this chemo I have been taking for the last 6 days. It is bad stuff! It is really bad stuff. It was put in my body to kill the BAD cells in my Bone Marrow. I pray that it is doing its job. I pray Lord that the chemo kills it all. If it doesn't kill it all Lord, I know you can kill the rest! I pray that when it kills all the BAD cells, that the bone marrow will then be able to do the job it's supposed to do and produce GOOD red blood cells, GOOD white blood cells, and GOOD platelets. This is what I ask God, in the name of your awesome son Jesus Christ. Page 34

"All powerful God, Wow, you saw me before I was ever born. You have never made another person like me. You have recorded every day of my life in your book. Not just every day, but every MOMENT! Show me the purpose of this Journey, these MOMENTS, and all my Journeys. Show me why I exist. AMEN." Page 53

"Thank you Lord!" "Hold me tight Jesus." "Keep me in your arms." "Jesus loves me this I know." "Why me Lord?" Page 56

"Lord, Give Them Wisdom." Page 94

Please pray that "I would let them take care of me." Page 99

"Thank you Lord for Dan!" Page 104

Let's pray for each other, the entire team, that we and our families may all experience the Peace and Joy of Christ this Christmas....and every day throughout the New Year. Page 120

"Dick will trust in the Lord from the bottom of his heart; he won't try to figure everything on his own. He will listen for God's voice in everything he does, everywhere he goes; God is the one who will keep him on track. Dick won't assume that he knows it all. He will run to God! Run from evil! His body will glow with health; his very bones will vibrate with life!" Page 123

"God, talk to me." Page 136

"Lord, bring the strength and the POP team back together again. Help me prepare for the new journey... the action of the game! Amen. Page 141

"Dear heavenly Father,

Thank you for new beginnings! Infuse me today with a fresh dose of your Holy Spirit, and fill me with thoughts that strengthen my character and cause me to grow fully into the image you intended for me when you brought me into this world. Help me to preoccupy my mind with thoughts of you, with thoughts that are pure, true, lovely, and worthy of praise.

Protect me from the temptation to complain, condemn, or focus on what's wrong with things. Instead, elevate my thinking and open my eyes so that I see your presence in all situations. I want to appreciate the abundance that surrounds me and activate the joy that is hidden within me.

In Jesus' name, Amen." Page 159

"Help me Jesus" Page 162

"Lord, I pray that I would know, love, and be closer to you more today than I was yesterday!" Page 173

"Thank you Jesus for your snug, warm, and comforting words and love for us." Page 174

"Praise God! Amen." Page 177

"Thank you, Lord, for putting me in the shadow of your hand so that I may be still and know that you are God! Give me wisdom to not just listen to you, but to hear and obey. Amen." Page 191

"We praise God for the good days, and we praise God for the not so good days. Thank you Lord for this good day! Thank you Lord for the POP team and all their prayers! Amen. Page 202

"Father God, I lift up my doctor's visit and my need to have control to you. You are in control. You are God. With thanks for the great news that I received, I ask that you would give me peace, and guard my heart and my mind during these times. I pray this in the name of your son Jesus Christ. Amen." “Father God, you are Lord, our one and only God. You are awesome. You have brought us out of tough situations many times. We love you. I will open my mouth wide tomorrow, fill it with your love, give it strength, bless it, and take care of it for me.” Amen. Page 261

“Father God! I am so grateful for your unconditional love. You sent your Son so that we could communicate with You and spend eternity with you. I praise you for my health, and how you have watched over me and my family, especially these past seven months.”

“I thank you for another answered prayer. Tonight I was able to see two small kids and their parents’ eyes light up as they toured the home they will be moving into on Wednesday. My prayer has been that a family would buy our house and they would enjoy and love it as our family did. I was able to share this answered prayer with Mike Yeager, his wife, and two children. I pray Lord for a good night’s rest for Mary Frances and me so we may enjoy the journey of tomorrow; the start of a new era for the Bowley’s.

I pray for the members of the POP team. I praise you Lord for putting all of them into my life, and how the prayers and support they have shown me and my family are too awesome for me to explain. Bless each and every one of them and their families.

I pray all of this in your precious Son Jesus’ name. AMEN.” Page 278
